DNA testing is changing the way we are now able to study surnames. Applications are welcome from Guild members, family historians, genealogists and members of the general public having an interest in the subject. Delegates are encouraged to submit specific questions in advance of the day to dnaquestions@one-name.org. Those already undertaking a DNA project are encouraged to bring a poster/display of their results to share with others.

The cost of the seminar will be £18.00 per person including drinks and a light buffet lunch. There will then be the opportunity to chat with other delegates, view the displays and browse the Guild Bookstall.

To reserve a place please complete the Booking Form or go to the Guild website at www.one-name.org where you can book on-line and pay using PayPal. The site gives more details of the Seminar, including a map showing the location of the venue and the ability to download a further copy of the form.
