## Notes on completing this Form

Please read these notes carefully before completing the Application Form and posting it to the Registrar accompanied by the appropriate fee.

The Guild welcomes into membership all who have an interest in one-name studies.

The Guild attempts to be as friendly as possible and prefers to record the names of its members in the Register of One-Name Studies with a forename and a surname. The forename you record should be the one by which you would like to be known.

There may be constraints on the display of your address in the Register. We reserve the right to curtail addresses to fit space available. This could be achieved by the exclusion of a house name or the use of abbreviations.

## Annual subscription

The annual subscription is currently £15.

Payments to the Guild must be in UK currency. We accept cheques or postal orders payable in sterling in the UK. You can also pay by credit or debit card or by PayPal using the online website application form.

A subscription is payable on joining, and then annually on 1st November each year.

Applications processed before the 1st August will be deemed to be for that year and another subscription will be due on the next 1st November. Members joining before 1st August will receive a Welcome Pack containing the Members Handbook, the latest Register and Journal back numbers for that year.

Those joining after 1st August will not be required to pay their next subscription until 1st November of the following year. They will receive a Welcome Pack containing the Members Handbook and the latest Register but not the Journal back numbers.

In subsequent years members will not automatically receive a copy of the annual printed Register and will pay a reduced fee (currently £14). Any member who wishes to continue to receive the printed Register may opt to do so, but will pay the full rate (currently £15). The full printed Register is available to members as a downloadable PDF file from the members' area of the website, which also has an online Register search facility.

## Surname Registration

You are not obliged to register a surname on joining the Guild. If you wish, you can become a member and gain from the Guild's services and benefits before considering surname registration. However if you want to register a surname now please tick the box overleaf and a surname registration form will be sent to you.
